## Almax® takes back your used mannequins.

For every mannequin you buy, Almax® takes back a used one and will deliver the new one anywhere in Europe, without any additional costs.

Almax® mannequins, made of shatter-proof polystyrene, are not only sturdy and long-lasting, they are also 100% recyclable. For further information on the **Almax® for a greener window** campaign, write to [green@almax-italy.com](mailto:green@almax-italy.com)
